As a fun incentive, in addition to improving our meeting attendance, in 2013 we implemented the GTBACP Rewards Program.

The Rewards Program works as follows:

- For every guest that a member brings to a meeting, they will receive 1 monthly point & 1 end of the year point.
  - Guest definition: 1<sup>st</sup> time guest only
- For every guest that becomes a GTBACP member, current member will receive 2 end of the year points.
- For every recommendation/suggestion for a speaker that results into an actual monthly program, they will receive 1 monthly point & 1 end of the year point (non Board of Director members only).
- Points will be granted from January through October.

### **GTBACP Reward Program Winners**

- Winners will be selected using the Random.org website
  - \*1 quarterly winner will receive a free meeting (value \$10).
